Agentic Portfolio Engine

GOVERNED BY PERSONAL AI INFRASTRUCTURE

EXECUTIVE JOB-HUNT ENGINE

Executive Integrity

Architectural Decision Records ensure a foundation that survives rigorous audits by tech leadership.

Persistent Memory

Recursive Gated Consolidation (part of my ongoing research into infinite session memory) ensures my professional context is synchronized across every session.
Deployed to guarantee context continuity across all portfolio updates without data collapse.

EXECUTIVE JOB-HUNT ENGINE

The Agentic Council

Three personas ensure a fact-checked portfolio for specialized technical roles.

The Engineer

Guarantees production-ready excellence.

The Recruiter

Synthesizes code into STAR impact.

The Chairman

Enforces absolute truth & safety.
